

YAMAHA WARRANTY

Yamaha warranty covers all components from manufacture defects. It is recommended the consumer maintain his/her motor for continued safe operation and free from problems.

1. A commercial engine which is used for business comes with a 1 year warranty only and cannot be extended.
2. 2 stroke engines used for pleasure come with at least 2 years warranty and can be extended for a much as 3 years. You can purchase an extra 3 years from any Yamaha dealer as long as your engine is still under its original warranty. If it is out of warranty you may purchase up to an additional 2 years.
3. 4 stroke engines used for pleasure come with a 3 year factory warranty and can be extended for 3 more years giving you a total of 6 years coverage. You can purchase this from any Yamaha dealer as long as your engine is still under its original warranty. If it is out of warranty you may purchase up to an additional 2 years.

Yamaha factory warranty covers all parts and labor with no deductible or out of pocket cost to the consumer. This does not include any general recommended maintenance. Yamaha is able to do this because of their superior workmanship and engineering of a product that has always been number 1 in customer satisfaction. With Yamaha's backing you can enjoy your family fun for years to come.

Next time you are on the water stop and look around. You will see 4 Yamaha's to every competitors motor, this says a lot about the product.
